A Parent & Carer's Guide to School Attendance

Leave of Absence

The current law does not give any entitlement to parents to take their child out of school during term time. The Education (Pupil Registration) (England) (Amendment) Regulations 2013 prohibits Headteachers granting leave of absence to a pupil except where an application has been made in advance and the Headteacher considers that there are exceptional circumstances relating to the application.

If the absence is not authorised and the leave of absence is taken, the case will be referred to the Missing Education and Child Employment Service who may issue a Penalty Notice for £120 (or £60 if paid within 21 days) to each parent for each child taken out of school.

Medical Appointments

Non-urgent medical appointments should not be made during the school day. If the appointment needs to be during school hours, please provide the school with appointment cards or hospital letters, so that a copy can be taken for the schools records.

What should I do if my child is absent?

By law, schools must record absences and the reason given. You must contact your child's school as soon as possible with a reason for absence. If no reason is recorded your child will receive an unauthorised mark.

Attendance Procedures

- We do not authorise absences without a good reason.
- We will text or try to telephone you if your child is absent and we have not heard from you.
- We monitor attendance carefully and we will write to you if your child's attendance drops below 95%.
- If attendance problems continue we will ask you to meet with us to discuss the way forward and possibly ask you to provide medical evidence before we will authorise anymore absences.
- If all measures fail to lead to an improvement in attendance, we may refer your child to the Missing Education and Child Employment Service and this may lead to legal action being instigated.

If you have a concern or there is an issue around attendance, please contact your school. There is advice and support for children and their families.

Punctuality

When your child arrives late at school, he/she misses the teacher's instructions and the introduction to the lesson. Your child may also feel embarrassed at having to enter the classroom late. Punctuality is important for children to start the day off well.

Do you know how much learning children miss out on?

15 Minutes late per day during the academic year = 10.3 days worth of teaching lost in a year!!!

How can you help?

- Ensure your child arrives in time. Check with the school about opening times.
- Prepare packed lunches, school bags and breakfast items the night before.
- Make sure the alarm clock is set at a reasonable time for getting everyone up and ready.

If you need support and advice about punctuality issues, please contact your school.
