

Howbridge Spelling Bee

Your Year 2 Spelling Guide

Here is some information you may find useful in order to support your child's home learning when practising their spellings.

There is a total of 17 lists for the children to work through over the course of the year.

These will be put in to the front of your child's spelling book. Children can use the following page to practise these spellings with you.

When your child can correctly spell each word on the list independently, please inform the class teacher by writing a message in their reading record book.

There are no set days for checks but instead will be worked on as and when each child is ready.

Children will work through these lists at their own pace. Checks are done on a one to one basis.

Your child will be asked to write the words from their current list independently at the back of their spelling books. If these spellings are correct, they will be given the next list.

These spelling practises are to ensure your child is working at the expected level for their age and will support them with their writing in school.

Thank you for your support. Any questions please do not hesitate to speak to your child's class teacher.
